Sir,

Subject: Occupying suitable building for Reserve Godown in Mysore City.

I have the honour to enclose herewith a copy of letter No.CCD. 571/46-47 dated 1st March 1947 from the Chief Rationing Officer, Mysore City on the above subject and to state that the Secretary, Exhibition Committee is stated to have desired the Rationing Officer to vacate for the purpose of repairs, the Central Hall of the Exhibition where our reserve godown is located. The Rationing Officer also states that we are not likely to get back the building this year as the Exhibition is likely to be held and we will be deprived of a storage capacity of 4,000 bags. The existing storage capacity in Mysore is itself inadequate for normal requirements and in addition we have to store two months' reserve rice, for which the Chief Rationing Officer is on the look out for a suitable building.

2. The Rationing Officer, Mysore, states that he has inspected the Muslim Orphanage Building and found it quite suitable for storing foodgrains as it is new and strong and is situated in Asoka main road. It is constructed with a terrace roofing and has a storage capacity of six to seven thousand bags. The Rationing Officer further states that the authorities of the above building demand a monthly rent of Rs.200/- but that he has fixed it at Rs.150/- as reasonable according to the market rate now prevailing and in comparison to the rent that is being paid to similar buildings where foodgrains are stored.

pto

In view of the above circumstances, I request you to kindly obtain the sanction of Government to engage the said building for storing foodgrains in Mysore City on a rent of Rs.150/- per month.

I have the honour to be,
Sir,
Your most obedient servant,

Addl. Director of Food Supplies.

Dated March 1, 1947.

Dear Sir,

Ref- Occupying suitable building for reserve godown in Mysore City.

Adverting to my telephone talk with you yesterday on the above subject, I write to state that the Secretary, Exhibition Committee has asked to vacate the Central Hall of the Exhibition where our reserve godown is located for the purpose of repairs etc. (copy of letter enclosed for ready reference). We are not likely to get back as I hear that Exhibition would be held this year. Thus we are deprived of a storage capacity of about 4,000 bags.

2. The existing storage of the City is by itself inadequate for normal requirements. In addition we have to store two months' reserve rice for which I am on the look out for suitable buildings.

3. I inspected the Muslim Girl's Orphanage with the Rationing Officer, on 24th instant. This building is quite new and strong situated in the Asoka Main Road. It is constructed with cement and terrace roofing and has storage capacity of 6 to 7 thousand bags. This is very well situated for the purpose of reserve godown. The authorities demanded a monthly (rent) of Rs.200/- but I have fixed Rs.150/- a month, having regard to rent we are paying to Jain Boarding Home monthly Rs.75/- with only half this storage capacity and to the rents we are paying to New Santhepet godowns. Further this building is a charitable Institution and the rent will be utilised for the cause of the Ophans.

3. Having regard to all these circumstances, I have fixed a monthly rent of Rs.150/- which (is) in my opinion moderate and request you to kindly approve the same very early.

4. I am also taking possession of the above building from 1st March 1947 due to the urgency.

Thanking you,

Yours sincerely,
Sd. R. Ramachandra Rao Bhombore,
Chief Rationing Officer.
